

**who says  
you have to  
pay more  
to be green?**

Finally,  
a green label alternative  
that won't cost you  
a penny more.

GET THE SAME HIGH QUALITY LABELS YOU HAVE COME TO EXPECT FROM INLAND, PRINTED ON MATERIALS MADE FROM 20% POST CONSUMER WASTE(PCW). THESE GREEN LABELS ARE EXPECTED TO YIELD THE SAME HIGH PERFORMANCE ON YOUR LABELING LINES AS OUR STANDARD WHITE PAPER LABELS WITHOUT INCREASING YOUR COSTS!

*Share your sustainability efforts with your customers;  
feature this 20% post consumer waste logo  
on your labels*

**20%PCW**

Available in 70g Full Wet Strength White Paper

Find out how you can go green  
without paying more for labels!
